

A new approach to criminal justice

Serge Sablyak – Chief Advisor – 6 July 2018

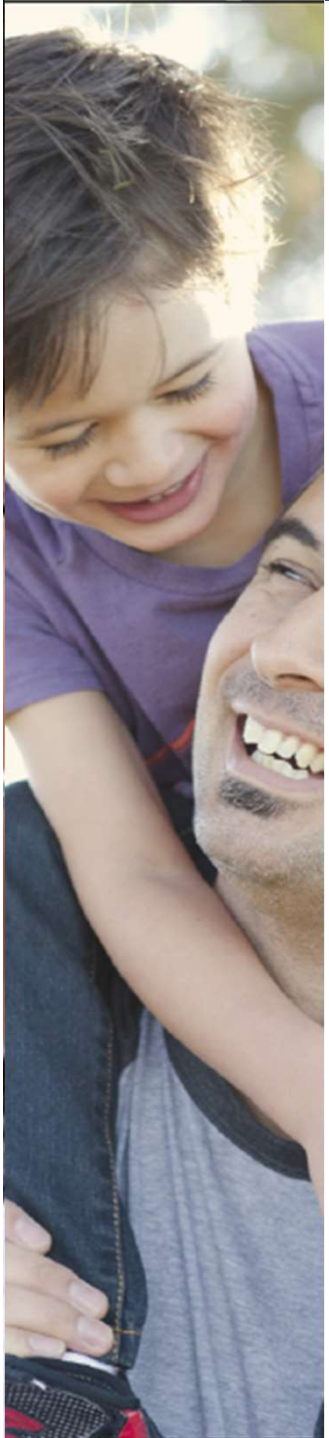

Myth-busters

- **Is crime up or down?**
- **Which NZers are least vulnerable to crime?**
- **What percentage of NZers sent to prison will re-offend within 2 years of release?**

1978

- **25% of people have a criminal conviction.**
- **33% of men do.**
- **80% of convictions entered before age 20.**
- **50% of Maori/Pasifika men have a conviction.**

Prison

- **100,000 NZers have been to prison.**
- **10,500 in prison right now.**
- **15,000 by 2027.**
- **20,000 children have a parent in prison.**

On the inside

- **37 percent have a diagnosed mental illness**
- **70 percent can't read or write properly**
- **47 percent are addicted to a substance**
- **44 percent have suffered a traumatic brain injury; and**
- **77 percent have been victims of violence themselves, especially women who are in prison.**
