

Welfare to Work

What NZ can do to improve lives and productivity

Russell McVeagh

Level 24 NTT Tower, 157 Lambton Quay

Tuesday May 27th 5:30pm - 7:30pm

Free entry

You are invited to a preview of the findings of IDEA's first research report. This major report looks at how we can transform the support we offer to those looking for paid work – building a pipeline of talent for Kiwi firms while reshaping lives and economic opportunities.

IDEA (The Institute for Democratic and Economic Analysis) is a politically independent think-tank that develops rational solutions to the interconnected problems of poverty and political exclusion.
