

A final chapter for Evergreen Melodies

After many years of creating music resources for aged care, singing groups, and community music programs, we wanted to let you know that Evergreen Melodies (Aged Care Music Resources) will officially close on June 30, 2026.

As we move toward closing, our remaining CD-based music resources have now been reduced to cost price—or below—in an effort to clear as much remaining stock as possible before we close our doors.

Unless someone comes forward to take on the remaining stock before June 30, these resources will no longer be available through our website:

agedcaresmusicresources.com

Over the years, these resources have supported countless lifestyle staff, carers, volunteers, musicians, choirs, and seniors—and we're incredibly proud of the role they've played in bringing people together through music.

At this stage, we are currently in discussions regarding the future of the Green Large Print Song Book collection, which may continue through another outlet in the future.

However, due to limited remaining stock and the continuing popularity of the collection, the Green Songbooks and associated sheet music books are not being discounted. Some editions are already running low and will only remain available while current stock lasts.

You can explore the collections here:

limited remaining stock available

Due to limited stock and continuing demand, Green collection pricing remains unchanged.

Thank you again for the wonderful support you've shown us over the years. It has truly meant a great deal.

Warm regards,
